

Ficodi®

GIN 970

ACADEMIA DEGLI SPIRITI®

The first Gin made in Sicily

“Lemon of Syracuse PGI”.

40% Vol. – 50 Cl

On the nose it manages to elegantly harmonize the fresh hints of juice and peel of the “Lemon of Syracuse PGI”, with notes of juniper followed by nuances of orange blossom and vanilla beans. Like the on the nose, the palate is harmonious and fresh and very elegant in persistence. Handcrafted product obtained by infusing different Mediterranean botanical essences with the “Lemon of Syracuse PGI”. Gin 970 by Ficodì company is distilled in small batches, using copper stills. It can be fully-fledged considered the most emblematic and representative gin of Sicily. Alcoholic content of 40% obtained by degree reduction, with the addition of juice from the “Lemon of Syracuse PGI”.

“Red Orange of Sicily PGI”

40% Vol. – 50 Cl

On the nose it manages to elegantly harmonize the fresh hints of orange and orange peel, with notes of juniper, followed by nuances of green pepper and vanilla beans. As on the nose, the palate it is slightly creamy and characterized by a harmonious persistence. Handcrafted product obtained by infusing different Mediterranean botanical essences with the “Red Orange of Sicily PGI” . Gin 970 by Ficodì company is distilled in small batches, using copper stills. It can be fully-fledged considered the most emblematic and representative gin of Sicily. Alcoholic content of 40% obtained by degree reduction, with the addition of juice from the “Red Orange of Sicily PGI”
